

cdOneBook™ disc holder

A Superior Multimedia Presentation.

Distributed in North America
by OneDisc.com, Inc.

[cdOneBook™ disc holder]

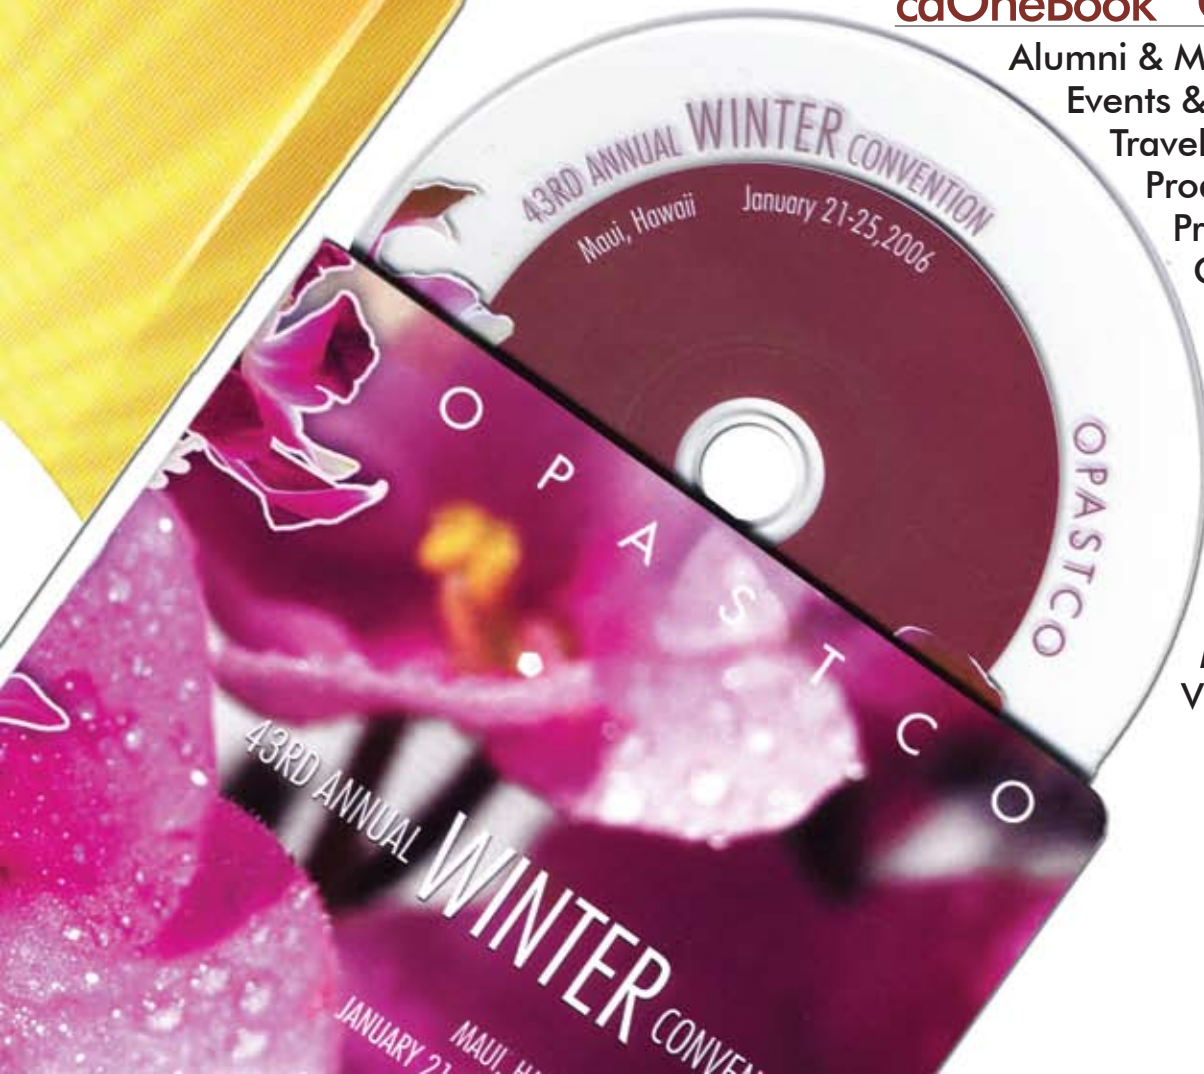

The integrated design combines your print message and a custom CD into one disc holder. A professional package without the inconvenience of a jewel case. Multimedia features combine print, interactive computer interface and direct links to web pages & email addresses.

Booklet Features:

- 2 to 38 pages of content with stitched construction
- Kivar Cover (similar to U.S. Passport material)
- cover and interior can be printed in 1 to 4 colors
- perforation of interior pages (for coupons, tickets, etc.)
- designed for mini, hockey rink, business card, and full sized CDs & DVDs
- paper pocket for the disc is placed inside either front or back cover
- deluxe cloth pocket available for frequently used discs

cdOneBook™ disc holder

A Superior Multimedia Presentation.

 Distributed in North America
by OneDisc.com, Inc.

[cdOneBook™ disc holder]

The cdOneBook is available in five sizes to meet your specific needs and to match the various sizes of CD-ROMs and DVDs. The covers can be printed in 1 to 4 colors and the interior pages, which can number up to 38 pages, can also be in 1 to 4 colors. We are always pleased to provide to you a personalized quote based on your requirements of size, page count and number of print colors.

Example pricing below (plus shipping or fulfillment) is for a 10 page cdOneBook with 1 color printing for both the cover and the interior pages. 2 and 4 color printing are available at a small additional cost.
